## ACTION CAMERA BAR MOUNT

The all new BarGrip Action Camera Bar Mount by PanaVise was designed with one objective in mind; to grip a bar better than any other camera bar mount on the market. By taking this performance-first approach, PanaVise has created the best performing, most versatile bar mount available. It's holding power combined with the signature PanaVise Tilt, Turn and Rotate system makes the BarGrip the mount you need to get the shot you want.
