Model 809 Suction Cup Camera Mount

NEW PanaVise Lock-Ring

NEW FEATURES THIS NEW YEAR

THE LOCK-RING: A small part of an intricate design that allows you to create your own video masterpieces. Its easy to overlook all of the components that make the 809 suction cup series so successful; one of these components is the lock-ring. Like any lock-ring, its purpose is to prevent your attached device from loosening during use and to ensure your camera fits properly and holds strong.

We are proud to announce an easier-to-use solution in our new lock-ring design. Wider rivets at its circumference allow your fingers to more firmly grab the lock-ring to tighten or loosen your device quicker and more securely. The shape of the lock-ring is not only sleeker, it is also lighter. PanaVise strives to seek out new ways to make our products streamlined, more efficient and easier to use. *Look for the new lock-ring in Q1 2012 as the old design gets phased out.*

SOCIAL MEDIA ALERT

Find PanaVise on the internet! Get updates with Twitter® and get to know us better on Facebook®. Log-in to one, or both, of these social networks and *follow* or *like* us. We want to communicate with you, after all, that is why we are here.

HAPPY New Year!

MESSAGE FROM THE PRESIDENT

GARY RICHTER

PanaVise has a lot to look forward to this new year, and in turn, so do you! With several new products in the works for 2012, we are excited to enter this year presenting the newest wave of innovative holding solutions. Keep your eye out for these new and exciting PanaVise product releases. We know you'll be pleasantly surprised.

FACEBOOK CONTEST WINNER

Congratulations to **Jason McMahon** for being our December 'GRIP news' contest winner. His post on Facebook demonstrating his use of the Rapid Assembly Circuit Board Holder, Model 333, won us over. His video illustrates an impressive 7 minute assembly of a Drone Lab. Thank you Jason, your love for PanaVise and your exciting projects are just what we love to see! Thank you for sharing.

YOU TOO COULD BE A WINNER...

Every month you have a chance to win a prize! Visit us on Facebook & post a photo of your creative PanaVise Project! We are itching to see the innovative ways you use your PanaVise
