** ADVISEMENT **

Read instructions completely prior to starting installation. All InDash Mounts are designed so that after installation, phone is facing normal driver position for left-hand drive vehicles. This mount is not designed to be used in foreign countries with right-hand drive vehicles. Use extreme care when working around the plastic components on the dash. Excess force, can cause breakage of the plastic components.

STEP #1: Remove shifter bezel and ashtray by lifting up on the back to release (2) clips with your hands and hook tool as needed. Tilt up and pull down to release (2) clips from radio and climate control bezel.

STEP #2: Remove (2) Phillips screws from below the radio and climate control bezel. Tilt out the bezel from the bottom. Insert hook tool at the top right and left sides to release (1) clip on each side. Pull out bezel and set on shop towel on console.

STEP #3: Remove (1) screw from the lower right side of radio mounting bracket. Place InDash by Panavise Mount over hole and replace screw. Make sure that the joggle lines up with the dash joggle, and tighten screw. Install (1) supplied screw into the hole on the side of the InDash by PanaVise.

STEP #4: Replace the bezels in reverse order.

InDash installed showing alignment of joggles

INSTALLATION IS NOW COMPLETE.
ENJOY YOUR NEW INDASH by PANAVISE MOUNT.
