** ADVISEMENT **

Read instructions completely prior to starting installation. All InDash Mounts are designed so that after installation, phone is facing normal driver position for left-hand drive vehicles. This mount is not designed to be used in foreign countries with right-hand drive vehicles. Use extreme care when working around the plastic components on the dash. Excess force, can cause breakage of the plastic components.

STEP #1: With Dash tool remove the triangular bezel around the shifter by prying with dash tool to release (3) clips. set bezel aside.

STEP #2: Remove the (1) Phillips screw and place the InDash Mount over the screw hole and pin. Replace the screw. The mount will fit into the bezel channel to allow the shifter bezel to go back in place.

STEP #4: Replace the shifter bezel.

INSTALLATION IS NOW COMPLETE. ENJOY YOUR NEW INDASH by PANAVISE MOUNT.
